

SCHOLARSHIP AWARD

This year, MAMP will award \$1000 scholarships to aspiring applicants for their post-secondary education. Eligible applicants are high school seniors, college freshmen, sophomores, or juniors whose parents/guardians, grandparents, or themselves are employees of plants who are current members (at time of random drawing) of MAMP. Applicants must be accepted at or enrolled as full time students of an accredited school of higher learning. Previous recipients are not eligible, but previous applicants are welcome to reapply. Applicants who meet the application criteria will be considered for the random drawing. Each MAMP member plant is allowed two applicants. Successful applicants will be notified after the drawing is conducted. Scholarship payment will be made upon proof of tuition payment and completion of one semester of post-secondary education. It is the applicants responsibility to provide the previous information when available to the MAMP office (send those items with the application if available). Recipients must send in tuition receipt and proof of semester completion by February 28, 2018. Applications must be received by February 13, 4:30pm. Winners will be guests of MAMP at the awards banquet on Saturday, March 18, 2017 in St. Cloud, MN.
