

MAMP in partnership with St. Joseph Meat Market, AURI & U of M Meat Science Lab, brings you the 2017 "Best Bratwurst Competition" please fill out the registration below, no fee to enter.

1. Teams will consist of 1-3 people; this will be registered as a plant. Your team will have a number assigned to it and that is how we will present your product at the evening meal.
2. There will be a maximum of 10 teams to compete
3. Every team will start out with a 10 lb. pre-ground meat block.
4. Bulk spices will be available to all competitors. So come with your special recipe.
5. Inclusions of cheeses, fruits and wild rice will be available for all competitors to use.
6. You will have a 1 hour window of time to complete your batter mixture. This will include weighing of spices, inclusions and the hand mixing of your product.
7. Your product will be stuffed into casings and processed for you. This is where your product will also carry its number identification for that evening.
8. All judging will be people's choice at our Thursday evening meal with all products being served for supper.
9. There will be no ties for the trophy and will be only 1 winner of the contest.
10. The trophy will be awarded at the Saturdays Banquet and you must attend the convention and the banquet to receive your award.
11. We will also hand out recipe cards on Thursday evening for you to share your recipe with others. We will have paper for all guests to copy recipes down and take home to try themselves.
12. Have some fun and create something wonderful.

Competition will be held on Thursday March 16th 11:00-1:00 at St. Joseph Meat Market, (prior to Pre Convention Workshop put on by U of M Meat Science Lab) bus transportation available from Kelly Inn for this event.
